MEMORANDUM FOR:

FROM:

Director of Training and Education

SUBJECT:

Interdirectorate Meeting on New Training  
Resulting from the Scranage Case

1. The recent circumstances surrounding the Scranage Case indicate that the Agency must do a better job of making our employees aware and better prepared to handle efforts to recruit them by hostile intelligence services.

2. The Office of Training and Education will sponsor a meeting with those Agency components who have responsibility for training or preparing Agency employees for overseas assignments. The purpose of the meeting will be to review what is currently being done, what improvements need to be made, and to explore how we can coordinate this effort to ensure that our employees are fully alerted to the hazards they could encounter.

3. The meeting will be held on 31 October at 1300 hours in Room GA13 Headquarters. Your participation is important, and I hope you will make every effort to attend. Please call on extension [redacted] to confirm your attendance.
